

# **APPROVED CLINICS AND AGENCIES**

Clinics/Agencies are organized alphabetically by name under the county in which their administrative office is located. The geographic service area is not restricted by the clinic's location. Each clinic determines its geographic service area. Services are approved for on-site (the approved clinic/agency administrative office and/or satellite location) and/or off-site at the students home, school or other appropriate locations not affiliated with the clinic/agency.

The approved clinics/agencies are not approved to deliver all services. Approved services are indicated on the Information Page of a specific clinic/agency. In addition, approved services must be delivered only by providers who are on the clinic/agency's approved staff list. A professional who is on the clinic's approved staff list has provided documentation of his school certification, approval from the Office of Criminal History and the appropriate occupational license.

New Jersey Department of Education  
PO Box 500  
Trenton, New Jersey 08625-0500
